Sacro
Tackling
Offending
Prejudices

STOP works with anyone living in Glasgow or Lanarkshire who has been charged with a Hate Crime offence and is aged 12 years or over. Individuals referred to the service will participate in a programme of work which aims to change the thoughts and feelings associated to discrimination and prejudice, so as to reduce the likelihood of future Hate Crime offences.

STOP will continue to provide a national service throughout Scotland for those charged under the Offensive Behaviour at Football and Threatening Communications (Scotland) Act 2012.

STOP also provides support networks on Facebook to provide information and education to communities and individuals affected by Hate Crime behaviours.
